TRAILERS WITH A LEGACY

EQUIPMENT TRAILERS

## **RIGID. COMPACT. LONG LASTING.**

Redi Haul's Equipment Trailers feature a compact design placing the deck between the wheels, achieving a lower deck height and minimizing loading angles. Loading and Unloading comes easy with standard ladder-style ramps. With a rigid build, these trailers are best suited for transporting small equipment such as skid loaders, mini-excavators, and drilling equipment.

# REDI HAUL TRAILERS

ESTABLISHED IN 1969

With 55 years in business, Redi Haul Trailers has the experience and knowledge to offer a quality trailer to all customers. By offering over 100 different trailer models, finding a trailer comes with ease. What sets us apart from other trailer companies is the willingness to listen, design, and build whatever the customer needs.
